The case was discussed in 590th SEIAA meeting dtd. 19.12.2019 and it was recorded that.....

The case was recommended in 412th SEAC meeting dated 09.12.2019 and it was recorded that
"..... The case was presented by the PP and their consultant wherein during presentation it was observed by the committee that the forest NOC submitted by PP is issued by SDFO instead of DFO. Hence, committee after deliberation recommends not to grant EC for this lease."

**As per above recommendation of SEAC it is decided to reject the case as entire lease area is surrounded by lush green agriculture land from northern and western side of lease and mining on this area will affect agricultural practices in surrounding areas.
Copy to PP and all concerned.**

As per above decision, you are hereby informed that your case is rejected.
