Sub: Case No. – 6685/2019 Prior Environment Clearance for Metal Stone Quarry in an area of 3.0 ha. (29988 cum per annum) (Khasra No. 387, 388), Village - Choupda, Tehsil - Pathari, Dist. Vidisha, (MP) by M/s Sirothiya Velji Ratna and Company & M/s Raghu Developers, Prop. Shri Kailash Singh Raghuvanshi, Runway Infrastructure JV, Tehsil - Basoda, Dist. Vidisha, MP – 464224

The case was discussed in 589th SEIAA meeting dtd 13.12.2019 and it has been recorded that

" The case was recommended in 411th SEAC meeting dated 03.12.2019 and it was recorded that

"..... Committee discussed the above sensitive issues associated these mine because as per MMR, 1996 minimum 100 meters area is to be left from any SH /NH and stop dam / water body etc. and if the same restrictions are applied in this lease with leaving mandatory 100 meters area as non-mining/safety, no effective mining area will be available for safe and environmentally sustained mining at this lease. Thus committee after deliberations recommends that on above grounds this case cannot be considered for grant of EC."

As per above recommendation of SEAC, it is decided to reject the case considering above environmental sensitivity. Copy to PP and all concerned."

As per above decision, you are hereby informed that your case is rejected.
