" This case was discussed in 366<sup>th</sup> SEAC meeting dated 30.04.2019 and it was recorded that.....

----- The case was presented by the PP and their consultant, during presentation as per Google image based on coordinates provided by PP, committee observed that coordinates are not matching with the actual lease shown by the PP during presentation. PP submitted that there are two identical leases with the same area and by mistake they have attached the details of other lease and will submit the revised Form -1 and other details duly authenticated by the concerned authority. Since the co-ordinates are not matching with the actual lease, this application is recommended for delisting to SEIAA.

**As per above recommendation of SEAC, it has been decided to delist the case on the condition that if PP intends to present the case in SEIAA, it will then be relisted for appraisal. Copy to PP and all concerned."**

In view of the above, you are informed that the case is hereby delisted. PP intends to present the case in SEIAA, it will then be relisted for appraisal.
