The case was discussed in 657th SEIAA meeting dtd. 8.2.2021 and it was recorded that.....

This case was discussed in 475th SEAC meeting dated 28.01.2021 and it was recorded that.....

".....The case was scheduled for presentation, but neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Earlier PP was also absent in SEAC meeting 471st meeting dated 05/01/2021 & 470th meeting dated 18/12/2020. Committee decided that since sufficient opportunities has been given to the PP for appraisal of their case but PP remains absent thus committee decided that case shall be returned to SEIAA for delisting assuming that PP is not interested to continue with the project."

As per above observation of SEAC, it has been decided to delist the case on the condition that if PP intends to present the case in SEIAA, it will then be relisted for appraisal. Copy to PP and all concerned.

As per the above decision, you are hereby informed that your case is delisted and liable for relisting if PP intends to present the case in SEIAA.
