To,

Shri Pramod Kumar Patel,
C/o Smt. Tara Patel Village – Kewalari,
Tehsil -Sehora Bada Tal Sehora Road, Jabalpur
Distt. - Jabalpur (M.P.) – 482001

Sub: Case No. 950/2012 Prior Environmental Clearance for **Metal Stone Quarry** (Opencast Semi-Mechanized Method) in area 1.20 ha. for production capacity of 5,000 Cubic Meter/Year at Khasra No. – 362, 363 & 432 Part at Village – Dadar Sihudi, Tehsil – Dheemakheda, Distt. – Katni (M.P.) by Shri Pramod Kumar Patel, C/o Smt. Tara Patel Village – Kewalari, Tehsil -Sehora Bada Tal Sehora Road, Jabalpur Distt. - Jabalpur (M.P.) – 482001

The case was discussed in 343rd SEIAA Meeting 22.06.2016 and it was recorded that.....

The case was discussed and recommended in 30th SEAC-II meeting dtd. 04.06.2016, it was recorded that:-

In this particular case, the EC has been issued for two years ending 14.02.2015 now PP has requested for extension of the EC upto the remaining lease period i.e. 14.10.2021 for the same production capacity of 5000 cum per year. This case was again discussed in the 268th SEAC meeting dtd. 16.01.16 and it was reported that:-

"The committee after discussion decided that if the mining lease area and production remains the same and if the lease has been renewed, the EC may be extended as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance"

As per the above observations, since the PP has submitted the application on 02.03.2015 i.e. after the expiry of the EC period and it took more than a year to process the case the extension of EC is granted upto the lease period i.e. 14.10.2021 effective from the date of issue of EC.
