No. 1339 /SEIAA/2019
Date: 24.06.2019

To,

Smt. Manju Rathore W/o Shri Lakhan Rathore
R/o 55, B, Dravid Nagar, Indore, District-
Indore (MP)-452007

Sub: Case No. 3703/15 1(a): Prior Environment Clearance for approval of Basalt Stone & Murram Quarry in an area of 1.214 ha. (Murram-1,640 & Basalt Stone-8,199 cum/year) at Village-Sejwani, Tehsil-Depalpur, District-Indore (MP) - Regarding Non-Submission of Compliance Report of EC conditions

With reference to above, it is observed from the record that prior EC was issued to you for your project but the six monthly compliance reports are not being submitted by you to the concerned regulatory authority i.e. MPSEIAA & Regional Office, MoEF&CC, Gol Bhopal on regular basis on 1st June and 1st December of each calendar year as per prior EC Condition. It is to mention here that submission of compliance report is mandatory as per section 10 of EIA Notification, dated 14th September, 2006. Further, non-submission of compliance report is also a violation of General Condition of prior EC. A hard and soft copy of all backlog half yearly compliance report should be uploaded online on website or sent through e-mail / CD on regular basis i.e. for the period from January-June and July-December in each calendar year as non furnishing of information may lead to violation of Section-20 of EP Act 1986 & may attract appropriate action including revocation of EC. In context of above, you are hereby informed and directed to submit the compliance report to the concerned regulatory authority i.e. SEIAA & Regional Office, MoEF&CC, Gol Bhopal on regular basis. As per MoEF&CC, Gol Notification dated 25.11.2018, soft copy of compliance report will now be uploaded by PP on ministry's website instead of submitting hard and soft copy.

A serious note in this regard has been taken into consideration and authority decided to upload six monthly (half yearly) compliance report of EC conditions including implementation of CER/CSR and plantation activities regularly by Project Proponent on MoEF&CC, Gol website with intimation to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal). As per SEIAA Office Memorandum No. 930/SEIAA/2019 dated 30.05.2019, **If Project Proponent fails to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority than prior Environmental Clearance issued to Project Proponent will automatically be treated as cancelled/revoked.** In case, you are unable to upload compliance report on ministry's website due to any reason than PP can submit hard copy of compliance report to concerned authorities.

Hence, you are hereby directed to upload authentic half yearly compliance report (including implementation of CER/CSR and plantation activities) prepared by any MoEF&CC/QCI Accredited Consultant with intimation to SEIAA or submit hard copy of the same to concerned authorities (SEIAA and Regional Office MoEF&CC, Gol, Bhopal) **within 15 days from the date of issue of this letter otherwise necessary action for revoking prior environmental clearance will be initiated.**
