Sub: Case No. 3435/2015 Prior Environment Clearance for approval of Sand Mine in an area of 17.500 ha. (2,62,500 cum/year) at Khasra No.-181/1, Vill.-Rajon, Teh.-Babai, District-Hoshangabad (MP) by R.K. Transpor & Construction Ltd., 65-A Transport Nagar Korba Distt. Korba (CG).

The case was discussed in 664th SEIAA meeting dtd 05.03.2021 and it has been recorded that

"The case was discussed in 484th SEAC meeting dated 24.02.21 and it was recorded that

As per the policy decision of 654th SEIAA meeting dtd. 28/01/2021"..... It has been observed that multiple cases which were granted EC transfers as per the prevailing mining plan have now requested for consideration of revised mining plan approved by competent authority. SEIAA recommends, these cases to SEAC for examination as per prevailing rules and guidelines.

The case was scheduled for the presentation but neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation.

However, during scrutiny of case file it was observed by the committee that in this case PP has not applied in form-4 "Application for amendment in Environmental Clearance", as per provisions made by MoEF&CC through OM F. No. 22-1/2019-IA. III dated 11/06/2019 and sent by SEIAA, MP for necessary compliance by Endt. Letter no. 1217/SEIAA/2019 dated 20/06/2019. Thus after deliberations committee decided that the case file may be sent back to SEIAA for onward necessary action as per above referred OMs.

As per above observation of SEAC, it has been decided to ask PP to apply online on PARIVESH in Form-4 "Application for amendment in Environmental Clearance" as per provisions made by MoEF&CC through OM F. No. 22-1/2019-IA. III dated 11/06/2019"

As per above decision, you are hereby informed that to apply online on PARIVESH in Form-4 "Application for amendment in Environmental Clearance".
