Tikamgarh (MP).

The case was discussed in 646th SEIAA meeting dtd 28.11.2020 and it has been recorded that

"This case was discussed in 598th SEAC meeting dated 20.02.2020 and it was recorded that....."

"This case was discussed in 419th SEAC meeting dated 24.01.2020 and it was recorded that....."

".....The case was scheduled for presentation, but neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Earlier PP was also absent in 416th SEAC meeting dated 08/01/2020 and in 406th SEAC meeting dated 25/11/2019. Committee decided that since sufficient opportunities has been given to the PP for appraisal of their case but PP remains absent thus committee decided that case shall be returned to SEIAA for delisting assuming that PP is not interested to continue with the project."

As per above observation of SEAC, it has been decided to delist the case on the condition that if PP intends to present the case in SEIAA, it will then be relisted for appraisal. Copy to PP and all concerned.

PP could not present the case in SEAC due to some unavoidable circumstances hence PP has requested vide letter dated nil received in SEIAA Office on 03.11.2020 to relist the case as PP is now ready to present their case in SEAC. Considering the request of PP, it was decided to relist the case and send the technical file to SEAC for appraisal."

In view of above decision, the case is hereby relisted and the technical file is being sent for appraisal and you are requested to take the considered view on it.
