No: 1630 / SEIAA/2021

Date: 11.8.2021

To,
Shri Tarun Khurana
S/o Late Shri Jagdish Khurana,
8, Chouthmal Colony, Dist. - Indore, MP - 452001

Sub: Case No. - 8269/2021 Prior Environmental Clearance for **Stone Quarry** in an area of 2.0 ha. for production capacity of 15000 cum per annum at Khasra No. 208 at Village - Baank, Tehsil - Indore, Dist. - Indore (MP) by Shri Tarun Khurana S/o Late Shri Jagdish Khurana, 8, Chouthmal Colony, Dist. - Indore, MP - 452001, Email - environmentplanning107@gmail.com, Mobile - 9962109000.

The case was discussed in 667th SEIAA meeting dtd 18.03.2021 and it has been recorded that

"This case was discussed in 488th SEAC meeting dated 10.03.2021 and it was recorded that....."

"-----The case was presented by the PP and their consultant wherein it was observed by the committee that it's a case of Stone mining. During presentation as per Google image based on coordinates provided by PP, it was observed by the committee that the sanctioned lease is already excavated and PP has no answer for this excavation. Further it was also observed by the committee that the sanctioned lease is located in the populated area where lots of developmental activities can be seen such as development on the western side within 150 meters (As per Google image IT park is developing) and on the southern site of lease approx 130 meters Raja Ramanna Centre for Advanced Technology (RRCAT) situated which is Government of India, Department of Atomic Energy's institute. PP submitted that they have obtained NOC from RRCAT for mining on this lease. Committee observed that RRCAT has given conditional NOC for which no plan is submitted by PP. However, still other developmental activities are in the close vicinity of the lease and mine is already mined out. Hence, committee after deliberation decided that in the light of 52 (c) of MMR rules, where such sensitive activities should not be located < 300 meters, EC for this site cannot be recommended and case may be sent to SEIAA for necessary action. Committee also observed that previously the same case was presented by PP with case no. 6856/2020 in the 430th SEAC meeting dated 17-03-2020 wherein EC was not recommended by the on the same grounds. SEIAA's vide their 608th meeting dated 04-05-20 has accepted the recommendations of SEAC and the case was rejected by them also.

As per above recommendation of SEAC, this case can not be considered for environmental clearance. After discussion and deliberation, it was decided accept the recommendation of SEAC and case is hereby rejected. Copy to PP and all concerned"

As per above decision, you are informed that your case is hereby rejected.
