Sub:- Case No. – 2844/2015 Prior Environmental Clearance for Sand Quarry Lease Area- 4.049 ha. Capacity - 1,50,000 cum/year, at Khasra No. – 29, 117, Vill.-Salaiya, Teh.- Manpur, District-Umariya (MP) by Shri Suresh Kumar Dubey, DGM, M.P. State Mining Corporation Ltd., Vanshroop Ward, Bhatatha Mohalla, Katni (MP) – 483501,

The case was discussed in 524th SEIAA meeting dtd 26.02.19 and it has been recorded that ..

“....This case was discussed in the 317th SEIAA meeting dtd. 12.04.2016. Additional condition for grant of EC subject to necessary wild life clearance from NBWL.

This case was discussed in 415th SEIAA meeting dt. 09.03.2015 it was recorded that:-

This case was discussed in the 317th SEIAA meeting dtd. 12.04.2016. Additional condition for grant of EC subject to necessary wild life clearance from NBWL is hereby imposed as under :-

- SEAC has put a condition for obtaining Wild Life Clearance from NWLB and PP has submitted on-line application also. No mining activity shall commence till the Wild Life Clearance is given by the National Board for Wild Life. The OM dated 02.12.2009 shall be applicable in this particular case. Mining Officer, Indore shall be responsible for compliance.
- Grant of environmental clearance does not necessarily implies that forestry and wildlife clearance shall be granted to the project and that their proposals for forestry and wildlife clearance will be considered by the respective authorities on their merits and decision taken

ED, MP State Mining Corporation has submitted a letter No. 121 dtd. 15.02.2017 mentioning that in the Gazette of India published on 14.12.2016, the Eco Sensitive Zone in case of Bandhavgarh Tiger Reserve has been fixed with an extend of 2 km. from the boundary of the Bandhavgarh National Park and desired that the specific condition of Wild Life Clearance from NBWL should be withdrawn. It has been decided to send the file to SEAC-II for examining the Gazette Notification and recommend the withdrawal of the clearance conditions. Copy to PP.”

Thereafter the after decision of 71st SEAC-II meeting dt. 10.04.2017,

The case was scheduled for the presentation and discussion toady wherein PP remains absent. On perusal of the case file it was observed by the committee that as per the certificate issued vide letter no. 3199 dated 05/08/2015 by the Dy. Director, Bandhavgarh Tiger Reserve, Umaria stating that the lease is at a distance of 5.6 kms (a Notified PA) from core zone and 2.70 kms from the buffer zone of Bandhavgarh Tiger Reserve. However in the gazette of India SO No. 4027 (E) published on 14/12/2016, the Eco-sensitive zone in case of Bandhavgarh Tiger Reserve has been fixed with an extent of 2.00 kms from the boundary of the Bandhavgarh National Park. Since the certificate issued by the Dy. Director, Bandhavgarh Tiger Reserve, Umaria stating that the lease is at a distance of 5.6 kms (a Notified PA) from core zone and 2.70 kms from the buffer zone of Bandhavgarh Tiger Reserve is becomes inconclusive as the distance is desired from the boundary of Bandhavgarh National Park not from the core zone or the buffer zone. Thus committee after deliberations decided that PP may be asked to obtain revised certificate from the competent authority stating the actual distance of the lease form the boundary of the Bandhavgarh National

Park in accordance with the gazette of India SO No. 4027 (E) published on 14/12/2016 for further consideration of the representative submitted by them.

Thereafter case was discussed in 297th SEAC meeting dated 08.11.2017. The submission made by PP was found satisfactory and acceptable and thus the committee decided to recommend the case for grant of prior EC.

Prior EC was initially granted by SEIAA in its 456th meeting dtd. 16.11.2017 by accepting the recommendation of 297th SEAC meeting dated 08.11.2017 and revised EC issued was issued vide letter no 1291 dated 07.12.2017 by withdrawing specific conditions given in prior EC point no. 13 & 14.

Now MoEF & CC Gol , Regional Office western Region Bhopal has submitted vide letter No. 18-B-37/2018(SEAC) /140 dtd.15.02.2019 received in SEIAA office dt. 20.02.2019 as under :-

We would like to inform that in response to the communication of this office the Project authority have responded the status as non-operative of mine and now the mine is handed over the MPSMC. It is said to be allotted to Gram Panchayat. The MPSMC does not have Ownership of the mine. The EC issued by SEIAA vide letter no 1291 dtd.7.12.2017 is not transferred to any part and mine is not yet started, directed to refer the matter for cancellation of Prior EC."

After detail discussion it is decided to accept the recommendation of Regional Office, Western Region, MoEF&CC, GOI Bhopal and EC issued by SEIAA vide letter no 1291 dtd.7.12.2017 is hereby cancelled. Copy to PP and all concerned

As per above decision the prior EC issued by SEIAA vide letter no 994 dtd.26.4.2016 & 1291 dtd.7.12.2017 is hereby cancelled.
