(5) It is noted that in EIA Notification 2006 as per Para-11 Transferability of Environmental Clearance (EC) there is a provision of transferring the EC.

Para-11 :- A prior environmental clearance granted for a specific project or activity to an applicant may be transferred during its validity to another legal person entitled to undertake the project or activity on application by the transferor, or by the transferee with a written "no objection" by the transferor, to, and by the regulatory authority concerned, on the same terms and conditions under which the prior environmental clearance was initially granted, and for the same validity period. No reference to the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned is necessary in such cases.

In context of above it seems that PP has submitted adequate documents to make the change in the name of PP as per EIA Notification 2006 (Para-11). Hence, prior EC issued DEIAA on 5.10.2018 in the name of "M/s Ambica Stone Industries, Pro. Late Smt.
