34. Case No. 1112/2013 Shri Shrikant Dwivedi, Owner, Village- Dwari, Post- Dwari , Tehsil- Amanganj, Distt. Panna (M.P.) – 488001 *Stone Mining at Khasra No. 16/1, Village – Tara, Tehsil – Amanganj, Distt. – Panna (M.P.) Lease Area- 2.0 ha. lease period- 02 year. Note - Capacity – Not Mention, No PFR & Annex.- 2 rec.*

Deliberations & discussions for following cases were made before the committee one by one.

35. Case No. 577/2010 Shri Kailash Jain Choradiya, HIG-11, Deendayalpuram, Civil Lines, Balaghat, Distt. – Balaghat (M.P.) - *(Extension of validity of ToR)- Manganese Mine 9.311 Ha. at Village –Miragpur, Teh-Khairlanj, Distt-Balaghat-(M.P.)-Env. Consultant: Creative Enviro Services, Bhopal.- ToR issued vide letter No. 873 dt. 12/10/10.*

PP has submitted that the TOR was issued to the project vide letter dated 12/10/2010 further it is submitted that the Mining Plan for the project was approved by IBM during March 2012 causing delay in the EIA studies. Hence an extension of the validity of TOR for one year has been requested by the PP. In accordance to the MoEF circular the maximum validity of TOR shall be for three years, hence committee decided to extend the validity of TOR maximum for one year only i.e. up to 11/10/2013. Following additional points shall be included in the EIA report:

- Separate chapter pertaining to the Corporate Environmental Responsibility (CER) of the industry shall be provided.
- Impact of transport of Ore on the surrounding environment up to the end user should be assessed and addressed in the EIA/EMP.
- The validity for the TOR shall be for a maximum period of 03 year from the date of issue of original TOR i.e. up to 11/10/2013.
- Base line data used in EIA should not be older than 02 years.
- Other TORs' mentioned earlier shall be applicable.

36. Case No. 1038/2012 Shri Vinod Kumar Shukla Construction Pvt. Ltd., 18, Second Floor, Metro Plaza, E-5, Arera Colony, Bhopal (M.P.) – 462016-Hasanpur Haweli Ordinary Soil quarry capacity- 30000, MLA- 2.0 Ha, for 2 years, Vill- Hasanpur Haweli, Tehsil & Distt.- Sheopur (M.P.)

The case pertains to mining of ordinary soil in an area of 2.0 hectare. The lease period is proposed for 2 years. PP has submitted the desired information in the prescribed format duly verified from the DFO and the tehsildar. No adverse comments have been reported. The EMP and salient features presented by the PP appears to be satisfactory and acceptable. Hence based on the submissions and the presentation made by the PP committee has recommended the case for grant of prior EC subject to the following special conditions:

1. The final EMS as proposed by the PP and the budgetary provisions for its implementation shall be approved by the Collector and shall be submitted to SEIAA.
2. PP shall be responsible for any discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
3. Transportation of material shall be done in covered vehicles.
4. Curtaining of site shall be done using appropriate media.
5. Production shall be to the tune of 30,000 m³/annum.
6. Sieve or any other sizing device shall not be allowed in the mining lease area.
7. The proposed plantation should be carried out along with the mining and PP should take care that these plants attain full growth.
8. The validity of the prior EC & the lease shall be for a maximum period of two years only.
9. Transportation shall not be carried out through forest area.
10. PP shall take CSR activities in the region through the 'Gram Panchayat'.
11. The amount towards EMP shall be deposited with the Collector for further execution of the activities under EMP.

37. Case No. 1040/2012 Shri Sandeep Kumar, S/o Shri Rajkunwar M/s Concast Infratech Ltd. Sehri, Thana Karkota Tehsil- Khargoda Distt. Sonipat (Haryana) 131001- *Captive mining of Stone Boulder Quarry of Lease Area – 1.70 Ha. Proposed Capacity – Stone*

42. Case No. 1049/2012 Shri Vinod Kumar Shukla Construction Pvt. Ltd., 18, Second Floor, Metro Plaza, E-5, Arera Colony, Bhopal, Distt. - Bhopal (M.P.) - 462016- Clay Quarry of Lease Area – 1.756 Ha.,. Proposed Capacity – 30,000 m³/Year. Khasra No.- 58, Village - Chaudapur, Tehsil – Sheopur, Distt- Sheopur (M.P) Lease period - 2 years

The case pertains to mining of ordinary soil in an area of 1.756 hectare. The lease period is proposed for 2 years. PP has submitted the desired information in the prescribed format duly verified from the DFO and the tehsildar. No adverse comments have been reported. The EMP and salient features presented by the PP appears to be satisfactory and acceptable. Hence based on the submissions and the presentation made by the PP committee has recommended the case for grant of prior EC subject to the following special conditions:

1. The final EMS as proposed by the PP and the budgetary provisions for its implementation shall be approved by the Collector and shall be submitted to SEIAA.
2. PP shall be responsible for any discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
3. Transportation of material shall be done in covered vehicles.
4. Curtaining of site shall be done using appropriate media.
5. Production shall be to the tune of 30,000 m³/annum.
6. Sieve or any other sizing device shall not be allowed in the mining lease area.
7. The proposed plantation should be carried out along with the mining and PP should take care that these plants attain full growth.
8. The validity of the prior EC & the lease shall be for a maximum period of two years only.
9. Transportation shall not be carried out through forest area.
10. PP shall take CSR activities in the region through the 'Gram Panchayat'.
11. The amount towards EMP shall be deposited with the Collector for further execution of the activities under EMP.

43. Case No. 1051/2012 Shri Suresh Kumar (G.M.) M/s Agroh Infrastructure Developers Pvt. Ltd., 74, Sanghi Street, Mhow, Indore (M.P.) - 452002- Stone Boulder Quarry of Lease Area – 03.18 Ha.,. Proposed Capacity – 70,000 m³/Year. Khasra 308/1, 308/2, Village - Gudikheda, Tehsil – Khandwa, Distt- Khandwa, (M.P) Lease period - 2 years

The case pertains to mining of Stone boulder in an area of 3.18 hectare. The lease period is proposed for 02 years. Captive mine is proposed for Improvement of Kahani Khandwa-Dedatlai-Burhanpur Road on BOT Basis. 127.00 Kms. During the quarry process about 30-40 people on an average will be employed. After the Project is completed the proposed land will be converted into pond which will be beneficial for irrigation purpose as well as it will increase the Ground Water level.

Details of Proposed land:-

Survey/khasra No: 308/1, 308/2
Name of Village: Gudikheda,
Name of Tehsil: Piplod
Name of District: Khandwa
Life of Quarry: 02 Year
Total Production: 70000 Cu. Mt.

PP has submitted the desired information in the prescribed format duly verified from the DFO and the tehsildar. It was reported by the PP that the crushing of stone shall not be done at site. The EMP and salient features were presented by the PP.

A complaint has been received in the matter from Shri Santosh Saini of Singote Distt. East Nimad, Khandwa, stating that DFO Khandwa has withdrawn the forest- NOC in view of forest land adjacent to the MLA (100 meters). It was also reported by the complainant that the company has installed a crusher at site and carrying out illegal mining. A copy of news paper cutting and DFO letter has been enclosed along with the complaint.

Owing to the above committee has decided to ask the PP to clarify the matter and simultaneously the matter may be clarified from the concerned DFO, till then the case was deferred.

44. Case No. 1052/2012 Shri Dushrath Singh S/o Shri Amar Singh, Village – Masni, P.O. – Khattali, Tehsil & Distt. - Alirajpur (M.P.) 457887-Sand Quarry of Lease Area – 01.00 Ha.,. Proposed Capacity – 5,000 m³/Year. Survey No. – 635, Village - Dudalwat, Tehsil – Alirajpur Distt- Alirajpur (M.P) Lease period - 2 years.

The case pertains to sand mining in an area of 1 hectare. After deliberations PP was asked to submit following information:

- Name of river from where sand is proposed to be excavated.
- Average Width of the river at sand extraction location.
- Available reserves of sand at the proposed location.
- Revised EMS.

45. Case No. 1063/2013 Shri Gohriya S/o Shri Kaliya, Village – Dabdi, P.O. - Umraili Tehsil - Sondwa, Distt. - Alirajpur (M.P.) 457888-Sand Quarry (New) Lease Area – 2.00 Ha.,. Proposed Capacity – 40,000 m³/Year. Survey No. – 01, Village - Dabdi, Tehsil - Sondwa, Distt- Alirajpur (M.P) Lease period - 2 years.

The case pertains to excavation of sand from lease area of 2.0 hectare. Salient features of the project as presented by the PP reveals that the mining is proposed from River Ankhad (Dabdi). The sand shall be excavated manually. No. of workers at site shall be about 15 to 30. PP has submitted NOC from forest department and Gram Panchayat. The information in the prescribed format -1 has been submitted duly verified from DFO and Tehsildar. The lease period proposed is 2 years.

The EMP and salient features presented by the PP appears to be satisfactory and acceptable. Hence based on the submissions and the presentation made by the PP committee has recommended the case for grant of prior EC subject to the following special conditions:

1. The final EMS as proposed by the PP and the budgetary provisions for its implementation shall be approved by the Collector and shall be submitted to SEIAA within 15 days after approval.

2. PP shall be responsible for any discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
3. Transportation of material shall be done in covered vehicles.
4. Curtaining of site shall be done using appropriate media.
5. Production shall be to the tune of 40,000 m³/annum.
6. Crusher or any other sizing device shall not be allowed in the mining lease area.
7. The proposed plantation should be carried out along with the mining and PP should take care that these plants attain full growth.
8. The validity of the prior EC & the lease shall be for a maximum period of two years only.
9. Transportation shall not be carried out through forest area.
10. PP shall take CSR activities in the region through the 'Gram Panchayat'.
11. The amount towards EMP shall be deposited with the Collector for further execution of the activities under EMP.

46. Case No. 1064/2013 Shri Kesar Singh S/o Shri Jungliya, Village – Soliya, Tehsil - Sondwa, Distt. - Alirajpur (M.P.) 457888 Sand Quarry (New) Lease Area – 2.00 Ha., Proposed Capacity – 15,000 m³/Year. Survey No. – 1062, Village - Soliya, Tehsil - Sondwa, Distt- Alirajpur (M.P) Lease period - 2 years.

The case pertains to excavation of sand from lease area of 2.0 hectare. Salient features of the project as presented by the PP reveals that the mining is proposed from River Hathini. The sand shall be excavated manually. No. of workers at site shall be about 15 to 30. PP has submitted NOC from forest department and Gram Panchayat. The information in the prescribed format -I has been submitted duly verified from DFO and Tehsildar. The lease period proposed is 2 years.

The EMP and salient features presented by the PP appears to be satisfactory and acceptable. Hence based on the submissions and the presentation made by the PP committee has recommended the case for grant of prior EC subject to the following special conditions:

1. The final EMS as proposed by the PP and the budgetary provisions for its implementation shall be approved by the Collector and shall be submitted to SEIAA within 15 days after approval.
2. PP shall be responsible for any discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
3. Transportation of material shall be done in covered vehicles.
4. Curtaining of site shall be done using appropriate media.
5. Production shall be to the tune of 15,000 m³/annum.
6. Crusher or any other sizing device shall not be allowed in the mining lease area.
7. The proposed plantation should be carried out along with the mining and PP should take care that these plants attain full growth.
8. The validity of the prior EC & the lease shall be for a maximum period of two years only.
9. Transportation shall not be carried out through forest area.
10. PP shall take CSR activities in the region through the 'Gram Panchayat'.
11. The amount towards EMP shall be deposited with the Collector for further execution of the activities under EMP.

47. Case No. 1069/2013 M/s D.P. Jain & Co. Infrastructure Pvt. Ltd., U/10, Himalaya Accord Appartment, Opp. Law College, Amravati Road, Nagpur (M.S.) -10-Drevgularjod to Arandia Road project Murum Quarry Lease Area – 1.901 Ha., Proposed Capacity – 30,000 m³/Year. Khasra No. – 1112/1114, Village - Padalya, Tehsil - Sujalpur, Distt- Shajapur (M.P) Lease period - 2 years.

The case pertains to mining of Murum in an area of 1.901 hectare. The lease period is proposed for 02 years. Captive mine is proposed for Drevgularjod to Arandia Road. The production

capacity proposed is 30000 m³ / Year. PP has submitted the requisite information from DFO and tehsildar duly verified in the prescribed format. No adverse comments were observed. The EMS submitted by the PP is very brief and is required to be re-submitted detailing the same. Hence committee has decided to forward the case to SEIAA as and when the revised EMS is submitted by the PP. Thus, the case is principally recommended to for grant of prior EC subject to the following special conditions:

1. The final EMS as proposed by the PP and the budgetary provisions for its implementation shall be approved by the Collector and shall be submitted to SEIAA.
2. PP shall be responsible for any discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
3. Transportation of material shall be done in covered vehicles.
4. Curtaining of site shall be done using appropriate media.
5. Production shall be to the tune of 30,000 m³/annum.
6. Sieve or any other sizing device shall not be allowed in the mining lease area.
7. The proposed plantation should be carried out along with the mining and PP should take care that these plants attain full growth.
8. The validity of the prior EC & the lease shall be for a maximum period of two years only.
9. Transportation shall not be carried out through forest area.
10. PP shall take CSR activities in the region through the 'Gram Panchayat'.
11. The amount towards EMP shall be deposited with the Collector for further execution of the activities under EMP.

48. Case No. 1070/2013 M/s D.P. Jain & Co. Infrastructure Pvt. Khasra No. – 406/1/12, Village - Bhojpura, Tehsil – Narsingharh, Distt- Rajgarh (M.P) Lease period - 2 years.

PP could not present the locational aspect of the project before the committee. Hence was asked to come prepare for the same. PP had requested the committee to allow him to present the case in the 119th meeting scheduled for 2nd February 2013. Committee accepted the request of PP subject to availability of time.

70. Case No. 1092/2013 M/s V.V. Construction, Shri V. K. Lahoti, Madan Mohan Lahoti Auto Complex, Transport Nagar, A. B. Road, Raghogarh, Distt. – Guna (M.P.) – 473226 - V.V. Construction, Narsingharh Boda (PWD) Road Project 283400 km. Murum Quarry Lease Area – 2.00 Ha., Proposed Capacity – 5,000 m³/Year. Khasra No. – 248, Village - Ranjeetpura, Tehsil – Narsingharh, Distt- Rajgarh (M.P) Lease period - 2 years.

PP could not present the locational aspect of the project before the committee. Hence was asked to come prepare for the same. PP had requested the committee to allow him to present the case in the 119th meeting scheduled for 2nd February 2013. Committee accepted the request of PP subject to availability of time.

71. Case No. 1093/2013 Shri Rajeev Kumar Bakshi M/s Atlanta – Arss (JV) C/o Rajendra Prasad, Near Rambai Hospital, H. No. – 181295, Burhar Road Shahdol (M.P.) 484001- Stone Mine Project at Khasra No. – 302, Village – Saraitola, Tehsil – Pushprajgarh, Distt. – Anuppur (M.P.) Lease Area – 1.870 ha., Capacity – 20,000 Ton/Year. (Existing Capa. – 3000 TPA Area – 1.870 ha.).

PP presented the case before the committee; the lease period mentioned in the application is not clear. However, scrutiny of the papers reveals that this is a case of captive stone mining for a road project. Temporary permission was issued to the PP for mining for six months and the same is proposed for renewal from mining department. The submissions and the presentations made by the PP reveals following:

The temporary permission is required for completion of road construction project of Shahdol – Singhpur- Tulra- pandaria Road. Land details are as follows-

- Site : Village Saraitola
- Tehsil : Pushprajgarh

- District : Anuppur
- Area : 1.870 Hectare
- Khasra No. : 302
- Land Status : (Pvt. land)
- Lease period : temporary lease for 6 months.

Location of the mine

Geographical location	23 ⁰ 16'71" N , 81 ⁰ 59'03" E
Nearest Town	Pushprajgarh – 48 km
Nearest City	Anuppur – 60 km
Nearest Village	Saraitola 4.0 km
Nearest River	None in 10 km radius
Habitation in Core Zone	None
Nearest Railway Station	Anuppur – 60 km
National Park/ Heritage site	None in 10 km radius
Ecological Sensitive Zone	None in 10 km radius
Nearest Forest	3.5 km form Mine site (as per Forest NOC)

- Mining will be carried out by opencast method by using JCB and dumpers.

EMS proposed:

- Truck Movement - Truck shall be covered with tarpaulin while transporting material. enforcing speed limit. To reduce dust generation from the loading operation regular water spraying shall be done.
- Haul Road - Compaction, gradation and drainage on both side proper maintenance of road. Water will be sprinkled at frequent intervals.
- An area of 0.06 ha is proposed to be left for plantation purpose, and plant 60 trees in area in consultation of local panchayat.
- After exploration of Stone the exhausted pit shall be partially backfilled by Over burden and remaining area of pit shall be develop as water reservoir, which will be useful for recharging of ground water as well used by animals for general use.

Budget for EMS:

Plantation	- Rs. 2000/-
Water sprinkler system	- Rs. 5000/-
Construction of bund	- Rs. 1500/-

- 5% of the total income is proposed to be contributed towards social development like arrangement of drinking water for villagers, village road construction/ repair. Distribution of stationary in primary school.

The submissions made by the PP appears to be satisfactory thus in view of small lease period and the road-project linked mining committee decided to recommend the case for prior EC subject to the following special conditions:

1	Nearest City	Seoni Malwa - 13 km.
2	Nearest Railway Station	Seoni Malwa - 13 km.
3	Nearest Village	Borat – 1.2 km
4	Topography	Flat
5	Ecological Sensitive Zone	No national parks and sanctuary within 10.0 km radius

Method: The method operations are being carried out manually.

Topography - The topography of the area is flat.

Water Requirement and Waste Water Management: Water is mainly used for domestic use. As the only 20 labours are deployed for the work in site therefore approx. 500 liters of water is required per day for domestic usage and 1000 liters required for dust control.

Project Schedule and Cost of the project: Total estimated initial cost of the project is approx. – Rs 2.0 lac.

The presentations and submissions made before the committee appears to be satisfactory hence the case was recommended for grant of prior EC subject to following special conditions:

- The final EMS as proposed by the PP and the budgetary provisions for its implementation shall be approved by the Collector and shall be submitted to SEIAA.
- PP shall be responsible for any discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
- Transportation of material shall be done in covered vehicles.
- Curtaining of site shall be done using appropriate media.
- Production shall be to the tune of 502 m³/annum.
- Sieve or any other sizing device shall not be allowed in the mining lease area.

- The proposed plantation should be carried out along with the mining and PP should take care that these plants attain full growth.
- The validity of the prior EC & the lease shall be for a maximum period of nine months only.
- Transportation shall not be carried out through forest area.
- PP shall take CSR activities in the region through the 'Gram Panchayat'.
- The amount towards EMS shall be deposited with the Collector for further execution of the activities under EMS.

74. Case No. 1097/2013 Shri Ashish Malviya, Near Sai Temple Pati, Distict – Barwani (M.P.) – 451661- Sand quarry (For Temporary Permit – 09 Months Period) at Khasra No. – 245 , Village – Semli, Tehsil – Pati, Distt. – Barwani (M.P.) Lease Area – 4.00 ha., Capacity – 300 Cubic meter /Year. Lease period - 2 years.

Papers and the application form of the project have not been properly arranged. PP was aksed to re-submit the same. The case was deferred till submission from the PP is received.

75. Case No. 1099/2013 Shri Aaditya Jain, M/s Adinath Construction, 16/1, South Tukoganj, Indore (M.P.) – 452001- Sand / Bajri Mine Project (For Temporary Permit – 09 Months Period) at Khasra No. –36, Village – Jamunia Harzi, Tehsil – Seoni Malwa, Distt. – Hoshangabad (M.P.) Lease Area – 3.683 ha., Capacity – 2700 Cubic meter for 09 months.

The case pertains to sand mining in an area of 3.683 Ha with production capacity of 2700 m3 per year. Lease period of 09 months has been proposed. PP has submitted the requisite information from DFO and tehsildar duly verified in the prescribed format. No adverse comments were observed. The presentation made by the PP reveals following salient features of the project:

Location of the Project

District/State	Tahsil	Village	Khasara No.	Area	Ownership
Hoshangabad (MP)	Seoni-Malwa	Jamunia Harzi	36	3.683	Govt. land
			Total	3.683	

1	Nearest City	Seoni Malwa - 11 km.
2	Nearest Railway Station	Seoni Malwa - 11 km.
3	Nearest Village	Mudiakhedi – 800 Meter
4	Topography	Flat
5	Ecological Sensitive Zone	No national parks and sanctuary within 10.0 km radius

Method: The method operations are being carried out manually.

Water Requirement and Waste Water Management: Water is mainly used for domestic use. As the only 20 labours are deployed for the work in site therefore approx. 500 liters of water is required per day for domestic usage and 1000 liters required for dust control.

Project Schedule and Cost of the project: Total estimated initial cost of the project is approx. - 2.0 lac.

- Sieve or any other sizing device shall not be allowed in the mining lease area.
- The proposed plantation should be carried out along with the mining and PP should take care that these plants attain full growth.
- The validity of the prior EC & the lease shall be for a maximum period of two years only.
- Transportation shall not be carried out through forest area.
- PP shall take CSR activities in the region through the 'Gram Panchayat'.
- The amount towards EMP shall be deposited with the Collector for further execution of the activities under EMP.

83. Case No. 1108/2013 Shri Rajeev Kumar Bakshi M/s Atlanta – Arss (JV) C/o Rajendra Prasad, Near Rambai Hospital, H. No. – 181295, Burhar Road Shahdol (M.P.) 484001- Renewal of Lease Stone Mine Project at Khasra No. – 267, Village – Saraitola, Tehsil – Pushprajgarh, Distt. – Anuppur (M.P.) Lease Area – 2.173 ha., Capacity – 30,000 Ton/Year. (Existing Capa. – 3000 TPA Area – 2.672 ha.) Lease Period - 10 Year.

PP presented the case before the committee; the lease period mentioned in the application is not clear. However, scrutiny of the papers reveals that this is a case of captive stone mining for a road project. Temporary permission was issued to the PP for mining for six months and the same is proposed for renewal from mining department. The submissions and the presentations made by the PP reveals following:

The temporary permission is required for completion of road construction project of Shahdol – Singhpur- Tulra- pandaria Road.

Land details are as follows-

- Site : Village Saraitola
- Tehsil : Pushprajgarh
- District : Anuppur
- Area : 2.173 Hectare
- Khasra No. : 267
- Land Status : (Pvt. land)
- Lease period : temporary lease.

Geographical location	23 ⁰ 16'71" N , 81 ⁰ 59'03" E
Nearest Town	Pushprajgarh – 48 km
Nearest City	Anuppur – 60 km
Nearest Village	Saraitola 4.0 km
Nearest River	None in 10 km radius
Habitation in Core Zone	None

Nearest Railway Station	Anuppur – 60 km
National Park/ Heritage site	None in 10 km radius
Ecological Sensitive Zone	None in 10 km radius
Nearest Forest	3.5 km form Mine site (as per Forest NOC)

- Mining will be carried out by opencast method by using JCB and dumpers.
- Minerals to be Mined : Stone Mine
- Production Capacity : 30,000 ton/year

Environment Management Scheme:

- Truck Movement - Truck shall be covered with tarpaulin while transporting material. enforcing speed limit.
- To reduce dust generation from the loading operation regular water spraying shall be done.
- Haul Road - Compaction, gradation and drainage on both side proper maintenance of road. Water will be sprinkled at frequent intervals.
- There will be no discharge of any water from the activity. The rain water collected in a sump and supplied to villages in summer season.
- To reduce suspended solids or dust coming to mine pits, garland drains shall be provided at the floor of the OB dumps.
- After exploration of Stone the exhausted pit shall be partially backfilled by Over burden and remaining area of pit shall be develop as water reservoir, which will be useful for recharging of ground water as well used by animals for general use.
- **For environmental management we will carry out following expenses:**
 - Plantation - Rs. 2000/-
 - Water sprinkler system - Rs. 5000/-
 - Construction of bund - Rs. 1500/-
- 05% of the total income is proposed to be contributed towards social development

The submissions made by the PP appears to be satisfactory thus in view of small lease period and the road-project linked mining committee decided to recommend the case for prior EC subject to the following special conditions:

- The final EMS as proposed by the PP and the budgetary provisions for its implementation shall be approved by the Collector and shall be submitted to SEIAA.
- PP shall be responsible for any discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
- Transportation of material shall be done in covered vehicles.
- Curtaining of site shall be done using appropriate media.
- Production shall be to the tune of 20000 m³/annum.
- Sieve or any other sizing device shall not be allowed in the mining lease area.
- The proposed plantation should be carried out along with the mining and PP should take care that these plants attain full growth.
- The validity of the prior EC & the lease shall be for a maximum period of two years only.
- Transportation shall not be carried out through forest area.
- PP shall take CSR activities in the region through the 'Gram Panchayat'.
- The amount towards EMS shall be deposited with the Collector for further execution of the activities under EMS.

- 05% of the total income is proposed to be contributed towards social development; the same shall be deposited with Gram sabha for utilization in the social development projects.

84. Case No. 1109/2013 Shri Aaditya Jain, M/s Adinath Construction, 16/1, South Tukoganj, Indore (M.P.) – 452001- Sand / Bajri Mine Project (For Temporary Permit – 09 Months Period) at Khasra No. – 47, 49 , Village – Amlada Dongar, Tehsil – Seoni Malwa, Distt. – Hoshangabad (M.P.) Lease Area – 3.925 ha., Capacity – 502 Cubic meters for 09 months.

The case pertains to sand mining in an area of 3.925 Ha with production capacity of 502 m³ per year. Lease period of 09 months has been proposed. PP has submitted the requisite information from DFO and tehsildar duly verified in the prescribed format. No adverse comments were observed. The presentation made by the PP reveals following salient features of the project:

Location of the Project

District/State	Tehsil	Village	Khasara No.	Area	Ownership
Hoshangabad	Seoni-Malwa	Amlada Dongar	47 49	2.723 1.202	Govt. land
			Total	3.925	

S.No.	Particulars	Details
1	Nearest City	Seoni Malwa - 12 km.
2	Nearest Railway Station	Seoni Malwa - 12 km.
3	Nearest Village	Amlada Dongar – 1.5 km
4	Topography	Flat
5	Ecological Sensitive Zone	No national parks and sanctuary within 10.0 km radius

Mining Method: The method operations are being carried out manually.

Topography- The topography of the area is flat.

Water Requirement and Waste Water Management: Water is mainly used for domestic use. As the only 20 labours are deployed for the work in site therefore approx. 500 liters of water is required per day for domestic usage and 1000 liters required for dust control.

Project Schedule and Cost of the project: Total estimated initial cost of the project is approx. - 2.0 lakhs.

The presentations and submissions made before the committee appears to be satisfactory hence the case was recommended for grant of prior EC subject to following special conditions:

- The final EMS as proposed by the PP and the budgetary provisions for its implementation shall be approved by the Collector and shall be submitted to SEIAA.
- PP shall be responsible for any discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
- Transportation of material shall be done in covered vehicles.
- Curtaining of site shall be done using appropriate media.
- Production shall be to the tune of 502 m³/annum.
- Sieve or any other sizing device shall not be allowed in the mining lease area.
- The proposed plantation should be carried out along with the mining and PP should take care that these plants attain full growth.

- The amount towards EMS shall be deposited with the Collector for further execution of the activities under EMS.

Case already discussed in earlier meetings and placed before the meeting for reconsideration in view of revised policy of SEIAA for disposal of mining projects with MLA less than 5 hectare

As per the revised policy all these projects (Case No. 800/2012, 759/2012 and 772/2012) apparently falls under the B-2 Category. Thus these projects may be scrutinized on the basis of revised policy and may be placed before the committee in the next meeting.

86. Case No. 800/2012- Shri Krishna Kumar Pathak, S/o Shri Laxminarayan Pathak, MIG – 63, Near Shailesh Memorial School, Makronia, Distt. – Sagar (M.P.) 470004 *Apchand Stone Mine at Khasra No. 232, Village – Apchand, Tehsil – Sagar, Distt. – Sagar (M.P.) Lease Area – 0.9 Ha., Proposed Capacity – 7000 Cubic Meter Per Year. Case was discussed 102nd SEAC Meeting Dt. 11/09/12.*

87. Case No. 759/2012- Shri Susheel Singh, DH-27, Deen Dayal Nagar, Gwalior, Distt. – Gwalior (M.P.) -Mining of Gravel (Bajri) at Khasra No. 646, 647, 648 Village Girwasa, Tehsil – Lahar, Distt. – Bhind (M.P.) *Lease Area – 1.470 ha. Proposed Capacity – 10,000 Cum/Year Lease Period – Case was discussed 112th SEAC Meeting 11/09/12 Env. Consultant: Not disclosed.*

88. Case No. 772/2012- Smt. Chhaya Agarwal W/o Sh. Rajesh Agarwal, Village- Binjhiya, Teh. Nainpur, Distt. – Mandla (M.P.) *Khursipar Metal Stone Quarry with Stone Crusher at Khasra No 145, 146 Village - Khursipar, Tehsil- Nainpur, Distt.-Mandla(M.P.) Lease Area – 2.00 Ha., Capacity – 3,000 Cubic Meter Per Year. Case was discussed 102nd SEAC Meeting dt. 11/09/12 Env. Consultant: Not disclosed.*

89. Case No. 780/2012 - M/s Jatashankar Marbles Pvt. Ltd., Ganesh Villa, House No. 153, Sector 46, NIT, Faridabad (Haryana) – 121001 *Labraha Granite Deposit Mine at Khasra No. 1480, Village – Labraha, Tehsil – Chandla, Distt. – Chhatarpur (M.P.) Lease Area – 2.922 Ha., Proposed Capacity – 6,000 Cubic meter per year. Case was discussed 102nd SEAC Meeting dt. 11/09/12 Env. Consultant: Not disclosed.*

The project pertains to the mining of Granite hence falls under B-1 category as per the policy decided by SEIAA. Committee decided to issue standard TOR for the project to carry out EIA & prepare EMP with inclusion of following points:

1. Public hearing shall be carried out as per the provisions of EIA notification.
2. If the base line data of the proposed site is available the same can be used in the EIA report subject to following:
 - The monitoring / analyses data collected by an approved laboratory shall only be accepted.
 - Data should not be older than 02 years.
 - Used data has to be validated / updated so as to evaluate current base-line scenario.
3. Maintenance of the roads in the region to be taken up, accordingly plan with budgetary provisions to be included in the EIA / EMP.
4. Compliance of Air / Water consent & Hazardous Waste Authorization conditions duly certified from the Regional Officer MPPCB.
5. Micro-level details of the surrounding area.
6. Conceptual plan clearly showing the area existing as well as proposed under green cover.
7. Photographs of the mining site showing latest status of the site with respect to OB management and green cover development.
8. Provision for safe transport of materials has to be detailed out in EIA.
9. Transportation of materials through forest region has to be prevented accordingly plan to be submitted.
