Dewas (MP). by Shri Himant Singh, Owner, 3, Radha Ganj, District. Dewas (MP) – 455001.

This case was discussed in 59th SEAC-II meeting dated 11-11-16 and it was recorded that :-

"PP has submitted the reply vide letter dated 05/07/2016 which was placed before the committee. The committee observed that in a case of similler nature (case no. 2763/2015) SEIAA (299th meeting dated 27/02/2016) has put a condition that 300 meters area should be left as "no mining zone" from the nearest wind mill. If similar condition is stipulated in this case leaving 300 meters area as "no mining zone" due to the existence of wind mills, sufficient operational area is not available for the mining of 33,522 cum/year of stone and the site is not suitable for mining. Thus committee after deliberations recommends that this site is not suitable for mining of stone deposits for the above reasons and thus EC cannot be recommended."

As per the above observation, it has been decided to agree with the recommendation of SEAC and the case is hereby closed as the site is not suitable for mining. Copy to PP and all concerned.
