5. It is noted that in EIA Notification 2006 as per **Para-11 Transferability of Environmental Clearance (EC)** there is a provision of transferring the EC.

**Para-11 :-** *A prior environmental clearance granted for a specific project or activity to an applicant may be transferred during its validity to another legal person entitled to undertake the project or activity on application by the transferor, or by the transferee with a written "no objection" by the transferor, to, and by the regulatory authority concerned, on the same terms and conditions under which the prior environmental clearance was initially granted, and for the same validity period. No reference to the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned is necessary in such cases.*

In context of above it seems that PP has submitted adequate documents to make the change in the name of PP as per EIA Notification 2006 (Para-11). Hence, prior EC issued SEIAA on 07.05.2018 in the name of "**M/s Shiva Corporation India Pvt. Ltd., 312, Ganpati Plaza, MIG Road, District-Jaipur (Raj.).**" is hereby transferred to **Shri Virendra Singh Jadon, E-7/ M-708, Arera Colony, Bhopal M.P. 462016** " for Sand Quarry (Open cast manual method) in an area of 5.289 Ha. for production capacity of 40000 cum per annum at Khasra no. 01 in Village- Pachghara, Tehsil - Lidhaura, Dist. Tikamgarh (MP) on the same terms & conditions and validity period under which the prior environmental clearance was initially granted. **All concerned be informed accordingly.**
