Sub: Environmental Clearance of Group Housing Project- "Silver Estate Vertica" at Village- Katara,
Tehsil- Huzur, Distt: Bhopal, Madhya Pradesh by M/s. Macker Real Ventures.

Ref: Case no: 2458/2015

Dear Sir,

This is in reference to the above-mentioned subject; it is kindly intimated that we have applied to SEIAA, MP for obtaining Environmental Clearance on 22.03.2013 and our case was considered on 10.04.2013 for appraisal in SEAC, MP. It was intimated to SEAC that construction activity has already been initiated at the site without obtaining prior EC. Thus, SEAC decided that we had violated Environment Protection Act-1986. Hence, Committee decided to return the case to SEIAA. SEIAA issued directions for appraisal of the case in light of the MoEF O.M. no J-110131/41/2006 - IA-II (I) dated 12/12/2012.

It is kindly intimated that State Government has initiated credible action on the violation and Credible action have been initiated with Special Environment case vide registration no. (Regular criminal trial/10194/2013 dated 1.11.2013) against us in the special environment court. Therefore, we are herewith submitting the evidence of the credible action initiated upon us for violating the Environment Protection Act 1986. (Summon from the court enclosed). Please also find attached the Board resolution confirming our commitment of not repeating such mistake again.

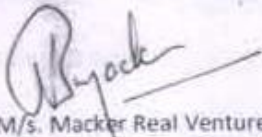

Hope the above mentioned documents meets to your satisfaction.

Yours Sincerely,

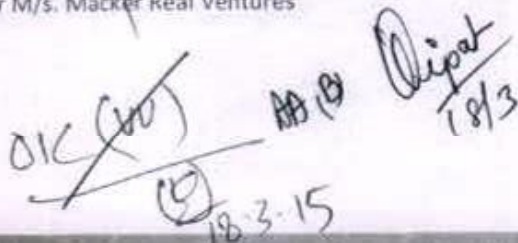

Name: Neeraj Bhushan Macker

Resolution passed in the form of undertaking by Proprietor Neeraj Bhushan Macker of M/s Macker Real Ventures in accordance to the Office Memorandum No. J-11013/41/2006-IAll (I) of Government of India Ministry of Environment & Forests dated 12th December, 2012.

To resolve the issue of violation committed by the Company pertaining of EIA Notification 2006 and its provision. The matter of violation was placed before the Board of Directors. Following was brought to the notice of the Board of Directors:

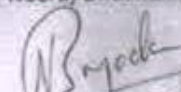

- I. That it is considered that, any project comprising construction activity of more than 20000 m² require environmental clearance under the provision of EIA Notification 2006 from competent authority.
- II. In light of the above M/s Macker Real Ventures should have applied and obtained prior EC for any construction of more than 20000 m² the same has not been obtained for our project in question (Silver Estate Vertica) which is violation of the provisions of EIA Notification and punishable under EP (Act)- 1986.
- III. That now an application along with the requisite documents has been submitted with SEIAA for obtaining EC and it is under consideration.

The Company has taken the issue seriously, reviewed and discussed the environment related policy of the Company exhaustively. The only violation observed is that of the provision of EIA Notification 2006.

Taking into account the above facts the Company passed the following Resolution and Undertaking:

The Company should have applied and obtained prior EC immediately after planning for construction of more than 20000 m² and the construction activity was taken without obtaining the same for our project in question which is violation of the provisions of EIA Notification and punishable under EP (Act)- 1986. With this undertaking the Company extends its sense of apology for committing such violation. However, now an application along with the requisite documents has been submitted with SEIAA for obtaining EC. The Company is now well aware of all the Environmental legislation as applicable to this project and ensures to follow the provision of all the Environmental legislations. It is also submitted that such violation will not be repeated by the Company in future.
